We also provide personalized, quality service that includes professional insurance advice, ongoing policy maintenance and claims support. In order for us to maintain strong relationships with quality insurers, we work with each to provide the type of business they desire. The Insurers with an asterisk noted above recognize our efforts through a Contingent (Profit) Commission contract. Payment of this Contingent (Profit) Commission may depend on a combination of growth, profitability (loss ratio), volume, retention and increased services that we provide on behalf of the Insurer. Contingent (profit) Commission is not guaranteed. For detailed information on Contingent Commission, please go to the individual company's website.

Your Insurer will be providing you with a Consumer Code of Rights and Responsibilities, which will be forwarded to you with your new business policy. If you have any questions regarding this or any other aspect of your insurance, please contact us.
